Human Resource Scorecard: A Model of HR Performance Measurement

Fariz* & Tutik Winarsih

Yapan Surabaya College of Economics

*Email: fariz@stieyapan.ac.id

Abstract

Professionals in the field of HR always face external and internal challenges so that they need a strategic perspective that is in accordance with their role in the organization. As professionals, they need to answer the challenges through one approach of HR performance measurement and are required to know the contribution of HR to
